B. REQUEST OF CLARIFICATION:

1. At the pre-bid, no one was allowed into the Growth Chambers. The note on the plans indicate some work to be done in there by an authorized manufacturer. Is this work to be included in our bid? If so can we get some clarification on the scope of work?

On sheet A-0.1 refer to keyed notes master list, note number 11 delete the statement saying "growth chambers to be serviced by authorized manufacturer"

Contractor shall only bid on connecting existing growth chambers to sources of water, power and drainage.

Manufacturer of growth chambers is Environmental Growth Chambers
